Session 3

Crying and irritable children

- **Carried desire to be carried- constantly**
- Cina
- Chamomila
- Arsenic alb
- Ant tart
- Kali carb
- Sanicula

CARRIED; DESIRE TO BE CARRIED -CONSTANTLY = ARS, CHAM, CINA, KALI-C, SANIC

Crying and irritable children

In a case of crying child a very important question for the mother

What do you do to make your child quiet

How does the child stop crying?

If the mother says whatever I do or his father does, my child does not stop crying.

Continuous crying, not stopping in any position, whatever you do

Quieted Cannot Be- will not be quiet by anything

The Cina child gets tired of crying and then goes to sleep, sleeps only after gets tired of crying

Cina mother as well as child does not know what he wants- Capriciousness

Irritable crying child - Cina

Irritable crying child - Cina

CINA:

MIND - CARRIED; DESIRE TO BE CARRIED – CONSTANTLY

+

MIND - ROCKING - AMEL. - FAST

+

MIND - QUIETED, CANNOT BE

Irritable crying child - Cina

[MIND] **QUIETED, cannot be:** (3) *Ars.* **CHAM. CINA**

[MIND - QUIETED, cannot be] - **carried; only by being:** (2) *Ars.* **CHAM.**

[MIND - QUIETED, cannot be - carried; only by being]

. **rapidly:** (1) ars.

The Journey of CINA

- **Quieted, cannot be (single remedy- Cina)**
- Irritable
- Does not know what he wants, capricious
- Restless
- Shrieking
- Wants to go down if carried and vice versa
- Crying in spite of being carried
- Goes to sleep after crying long and **getting tired**
- Quieted, cannot be petting and caressing are of no use

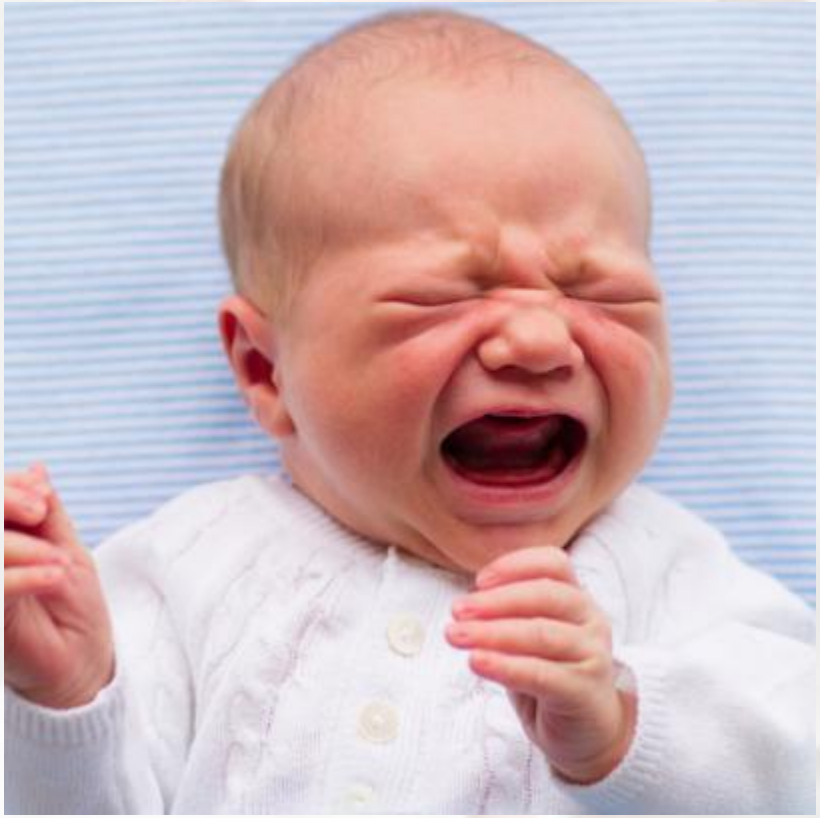
The Journey of CINA

- Carried- desire to be carried
- Carried- aversion to be carried
- Capriciousness- rejecting the things for which he has been longing, when offered he has
- Shrieking in children
- Refusing help
- Caressed being- aversion to
- Contemptuous- everything of
- Quieted cannot be

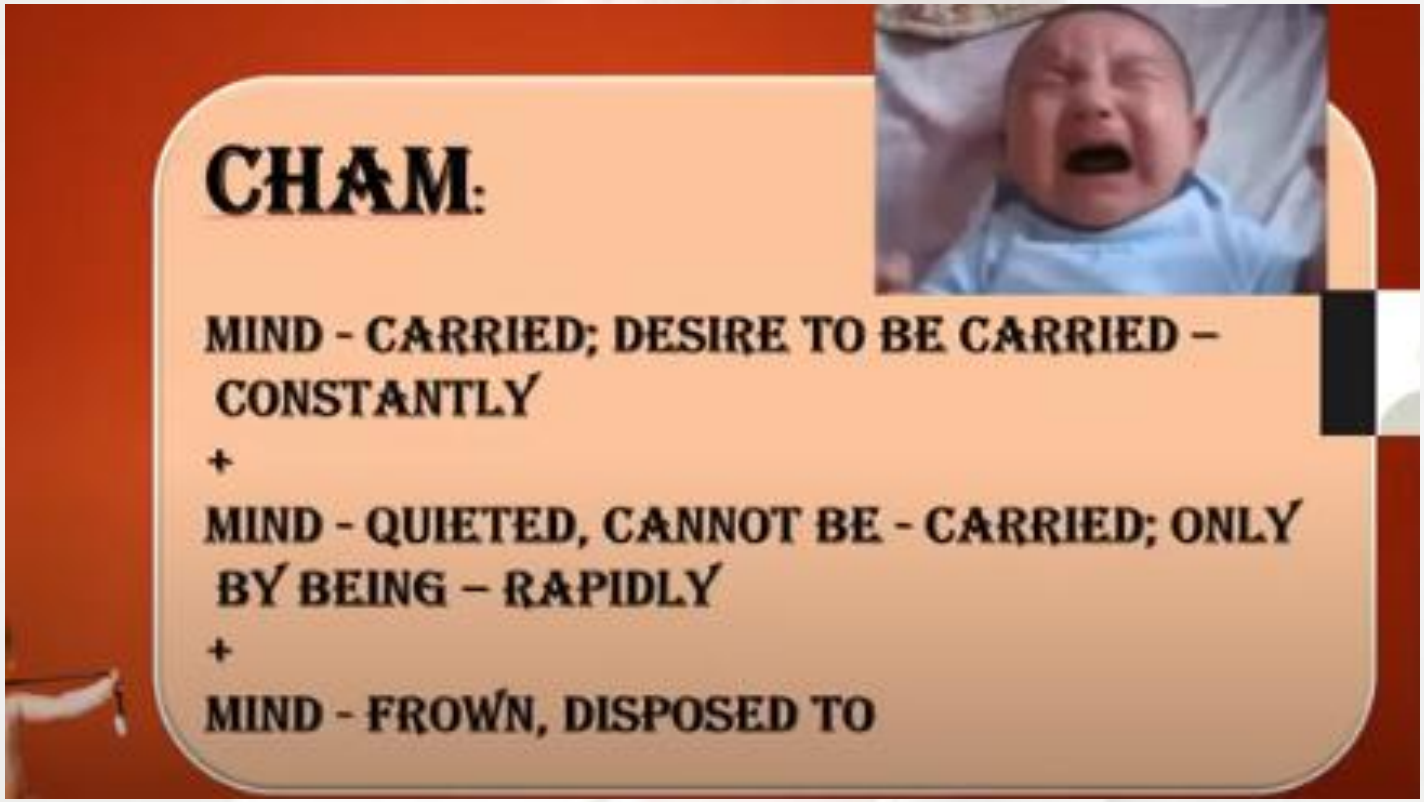
The Journey of CINA

- Constantly digging and boring at the nose; picks the nose all the time; itching of nose; rubs nose on pillow, or on shoulder of nurse (Mar. v.)
- Children, suffering from worms; pitiful weeping when awake, starts and screams during sleep; grinding of teeth (Cic., Sulph.); ascarides (Mar. v.).
- Face is pale; sickly white and bluish appearance around mouth; sickly, with dark rings under the eyes; one cheek red, the other pale (Cham.).
- **Canine hunger**: *hungry soon after a full meal*; craving for sweets and different things; refuses mother's milk.

The Journey of CHAMOMILLA



Chamomilla



CHAM:
MIND - CARRIED; DESIRE TO BE CARRIED – CONSTANTLY
+
MIND - QUIETED, CANNOT BE - CARRIED; ONLY BY BEING – RAPIDLY
+
MIND - FROWN, DISPOSED TO

The Journey of CHAMOMILLA

- **Quieted cannot be, carried , only be being**
- Shrieking children in
- Irritability children in
- Noise inclination to make
- Carried, desire to be carried
- Frown disposed to
- Anger, touched when
- Snappish
- Cham will be quieted as soon as she is carried in a comfortable position but in case of Cina she cannot be made quiet in any way
- Unless cham does not get a desired position she will go on screaming,
- Very sensitive to pain- EXAGERRATES PAIN

The Journey of CHAMOMILLA

- Exaggerating her symptoms
- Impatience pain from
- Anger interruption from
- Carried desire to be carried
- Sensitive to pain
- Morose during pain
- Dullness during heat
- Morose during chill
- Chamomilla can come to our clinic in any of these states- dullness, morose or irritable
- **Core rubric**: Quieted , cannot be- carried only be being

Chamomilla

Clipboard 10		cham.	ars.
		1	2
		6	2
		17	3
MIND - ANSWERING - civil, cannot be	(2) 1	3	
MIND - SNAPPISH	(11) 1	3	
MIND - QUIETED, CANNOT BE - carried; only b...	(2) 1	3	2
MIND - SPOKEN TO; BEING - agg.	(2) 1	1	
MIND - IRRITABILITY - children, in - infants	(1) 1	4	
MIND - TOUCHED - aversion to be	(79) 1	3	1

The Journey of CHAMOMILLA

- Persons, especially children, with light brown hair, nervous, excitable temperament; oversensitive from use or abuse of coffee or narcotics.
- Children, *new-born and* **during period of dentition**.
- Complaints from anger, especially chill and fever.
- Pain: seems unendurable, drives to despair; < by heat; < evening before midnight; with heat, thirst and fainting;
- One cheek red and hot, the other pale and cold.
- Oversensitive to open air; great aversion to wind, especially about ears.

The Journey of CHAMOMILLA

- Toothache if anything warm is taken into the mouth
- Diarrhoea: from cold, *anger or chagrin*; **during dentition**;
- Stool green, watery, corroding, like chopped eggs and spinach; *hot, very offensive, like rotten eggs*.
- Convulsions of children from nursing, *after a fit of anger* in mother
- Sleepy, but cannot sleep
- Burning of soles at night, puts feet out of bed

Arsenic Alb

Arsenic Alb

ARSENIC:

MIND - CARRIED; DESIRE TO BE CARRIED – CONSTANTLY

+

MIND - QUIETED, CANNOT BE - CARRIED; ONLY BY BEING – RAPIDLY

+

MIND - SMILING

The Journey of ARSENIC ALBUM

- Socially alert and presentable child
- Keeps smiling
- Though it has aversion to touch it will not show its dislike
- Harasses only the person who takes utmost care of him
- During illness very irritable and restless, wants everything urgently
- Goes on lamenting in piteous manner till he gets the desired thing
- Fastidiousness- will cry till diaper removed after urination
- They wont go to toilets which are wet and dirty

The Journey of ARSENIC ALBUM

- **Quieted cannot be, carried , only be being**
- Carried desires to be carried
- Irritability in children
- Restlessness in children
- Smiling
- Complaining pitiful
- Biting the tumbler

The Journey of ARSENIC ALBUM

- Both cham and Ars are irritable, cranky, restless, complaining, lamenting and always want to be carried.
- The cham child is very sensitive to touch and if you try to touch him, it will repel the touch in a very snappish and rude manner with a big dislike and frown on face.
- Cham is never concerned about society and will cry in a very bad and irritating tone, while ars is mostly presentable, calm and smiling.

The Journey of ARSENIC ALBUM

- Thirst of arsenic for warm water sips
- Whatever he wants, he wants it in his own way that too immediately
- Biting his tumbler- harasses someone who is so useful to you
- Moral feeling want of- criminal, without remorse, disposition to become a
- On other side Arsenic is diligent, earnest and caring child, always cares for others as well as for him

Arsenic vs Chamomilla

Child Wants to be Carried, if kept down then will start crying

Quieted cannot be- only by being carried

The mother says either you give him some medicine or I will get admitted to hospital

Arsenic alb- desires to be carried constantly, quieted only by carried

smiling, presents very nicely in front of the dr, arsenic will allow to be examined, pitiful moaning, will cry immediately he passes urine or stools, will keep crying till it is cleaned, fastidious, rest cannot till things are in proper place

Cham- Snappish, will not allowed examination, ANGER WHEN TOUCHED, abusive, insulting, will push away, frown on head, very loud crying, cries with anger, repulsive, noise inclination to make, you feel like slapping him, exaggeration, wants to come out of this problem immediately

The Journey of ANT TART

- **Carried desire to be carried, sitting up**
- Irritability in children
- Anger when touched
- Carried desires to be constantly
- Shrieking when touched
- **Ant tart child likes to be carried in an erect position and is not comfortable in cradle whereas in Ars and Cham they want to be carried erect or on lap or in cradle**

The Journey of KALI CARB

- Does not want to change his routine it maybe food, home, school etc.
- Change aversion to
- Conformism (orthodoxy in thought and belief)
- Duty conscious
- Responsible child
- Always proper in work and play
- Never likes to break rules and regulations
- If broken then quarrelsome mostly with near and dear ones

Kali carb

KALI-C:

MIND - CARRIED; DESIRE TO BE CARRIED – CONSTANTLY

+

MIND - CHANGE - AVERSION TO - CHILDREN; IN:

Kali carb

Kali carb

- Change aversion to
- Conformism- orthodoxy in thoughts and beliefs, dogmatic
- Same posture, same hand, same style of carrying, wear same clothes, same route, same dinner, same spoon, same food every day- the are not ready to change

The Journey of SANICULA

- Carried desires to be carried, constantly
- Desires to nurse all the time
- The Sanicula baby wants to be nursed all the time and does not even want anything other than mother's feed and when they try to stop his breast feeding the baby will develop some pathology

Sanicula

- Carried desire to be carried
- Nursing, Desires to be nursed continuously
- Does not leave breast feeding
- Very irritable child

Sanicula

The Journey of ANT CRUD

- Very sensitive , sentimental
- Very irritable children
- Cannot bear to be looked at
- Soothing wants to be soothed- cold water, ice
- Child is fretful, peevish, **cannot bear to be touched or looked at**; sulky, does not wish to speak or be spoken to angry at every little attention.
- Desires full of desires

The Journey of ANT CRUD

- For children and young people *inclined to grow fat.*
- Headache: after river bathing; from taking cold; alcoholic drinks; deranged digestion, acids, fat, fruit; suppressed eruption.
- Gastric complaints from *over-eating*; stomach weak, digestion easily disturbed; **a thick milky-white coating on the tongue**, which is the red strand of the remedy;
- Longing for acids and pickles.

The Journey of ANT CRUD

- Gastric and intestinal affections: from bread and pastry; acids, especially vinegar; sour or bad wine; after cold bathing; over-heating; hot weather.
- Constant discharge of flatus, up and down, for years; belching, tasting of ingesta.
- Disposition to abnormal growths of the skin; fingernail do not grow rapidly; crushed nails grow is splits like warts and with horny spots.

The Journey of ANT CRUD

- Large horny corns on soles of feet (Ran. b.); *very sensitive when walking*, especially on stone pavements.
- Cannot bear *the heat of the sun*; worse from over-exertion in the sun. (Lach., Nat. m.); < from over-heating near the fire; exhausted in warm weather; ailments from sunburn.
- **Aversion to cold bathing**; child cries when washed or bathed with cold water

The Journey of IPECAC

The Journey of IPECAC

- Constantly crying
- Shrieking
- Hard to please
- Morose child- sad, impatient, anger
- Too much crying
- Jealousy
- Gourmand- desires many things
- Impatient
- Capricious

The Journey of IPECAC

- Adapted to cases where the gastric symptoms predominate
- *Tongue clean* or slightly coated. **In all diseases with constant and continual nausea**.
- Nausea: *with profuse saliva*; vomiting of white, glairy mucus in large quantities, *without relief*; sleepy afterwards;
- Stomach: feels relaxed, *as if hanging down* (Ign., Staph.); clutching, squeezing, griping, as from a hand, each finger sharply pressing into intestines; worse from motion. Flatulent, cutting colic about umbilicus.

The Journey of IPECAC

- Stool: grassy-green; of white mucus (Colch.); bloody; fermented, foamy, slimy, like frothy molasses. Autumnal dysentry; cold nights, after hot days (Colch., Merc.). Asiatic cholera, first symptoms, where nausea and vomiting predominate (Colch.).
- Cough: dry spasmodic, constricted, asthmatic. Difficult breathing from least exercise; violent dyspnoea, with wheezing and anxiety about the stomach.
- Whooping-cough: *child loses breath*, turns pale, stiff and blue; strangling, with gagging and vomiting of mucus; bleeding from nose or mouth (Indigo).
- Cough, with rattling of mucus in bronchi when inspiring (Ant. t.); threatened suffocation from mucus.
