# Pulsatilla - As we know....

- **Weathercock amongst remedies**
- It is a remedy for females, of mild, gentle, plethoric, yielding disposition, who cry readily and weep when talking.
- Consolation ameliorates.
- Whining. Craves sympathy. Children like fuss and caresses.
- Answers, yes or no, by nodding her head.
- THIRSTLESSNESS; CHILLINESS AND SHORTNESS OF BREATH; with digestive or menstrual disorders.
- MUCOUS DISCHARGES ARE PROFUSE; BLAND, THICK; YELLOWISH-GREEN.
- Ill effects of SUPPRESSIONS, otorrhoea, menses, lochia, milk etc. Eating ice-cream; pork, fats; pastry; mixed diet.

# Pulsatilla - Initial stage

- Affectionate, loving, gentle, mild
- Mixes easily with others
- Kissing, caressing and hugging others
- People like them easily
- Reverence for those around
- Selflessness
- Sensitive to moral impressions - whatever is morally correct - Ignatia
- Sympathetic - gets affected by others pain, will also do something for them, makes others comfortable
- Cares full of domestic affairs for - place where she is living, priorities will be for home folks

## Pulsatilla - Initial stage

- Servile - being like a servant, keeps on doing for people around, fulfills the needs of people around, pleasing desire to please others, yielding
- When she gets that kind of love from people
- Delusion hearing delightful music - when she feels good, she gets cared and loved. Mutual give and take, that time they will do for people around as long as she gets love in return

# Pulsatilla - Initial stage

- Effeminate, sensitive, delusion pregnant - potential, fruitful to people around, delusion dancing
- Newly married girl, everything is ok, happy with in laws and husband, misses her home - delusion away from home, everyone taking good care of her she also willingly takes care of others
- Newly born child, everyone taking good care of that child, attention, care, love, affection
- Flattered desire to be flattered, gives away everything when flattered
- Whatever she has she will give if she is being treated nicely or talked nicely to, taken care of

# Pulsatilla - Transformation

- Ailments from jealousy - attention seeker, feigning sick, carried desire to be carried and caressed
- Ailments from lack of care and attention
- If someone else gets attention and care then pathology starts - jealousy
- Ailments from hurry - since they are used to doing things at a slow steady gentle pace in way of talking, working, gentle medicines, not strong, it is ok if it takes time but don't give me injections, sour medicines
- Not used to do fast work, comfortable pace, bed desire to be in bed, slowness, torpor, cannot do ten things at a time
- A/f emotional excitement - sudden attention
- A/f embarrassment - self conscious - sense of pity towards herself
- When does not get attention and care she feels neglected
- A/f wounded self esteem – haughty - needs flattery, good words

# Pulsatilla

- **Affection, absorbs affection (like a sponge) – cuddling, caressing, tender love and care**
- «Mom you don't love me» even when she is with her whole day
- **Affectionate (not love)**
- Weeping while narrating symptoms? Why?
- **Caressing and kissing children** - mothers kissing their children
- They like to be kissed, caressed, cuddled, held and also do it with others
- **Caressed being, desire to being** – esp. in acutes like fever, abdominal pains, skin problems - massage softly and slowly. They just want mother to be near them and massage them softly.
- Puls - the way she behaves like a loving, soft, sweet, cute, person while Carc will behave like a nice boy or girl even in fever and so mother caresses him
